About us

INTERNAL & TRUSTED 3rd PARTIES

Why we are excited about the Language Data Space

A data consumer's perspective: Multiple domains and languages

Insurance
Pharma
Life sciences
Finance
Banking
Publishing
Media
Energy
Manufacturing
Telecom
Tourism
Public admin
…

LLM

Base LLM selection

Further pre-training on domain data

Supervised instruction tuning

Alignment

Where is the data?

Domain adaptation often crashes against corporate data silos

Common European Language Data Space

Thank you!
