19-03-2025 LDS Launch Conference, Villers-Cotterêts, France
<https://language-data-space.ec.europa.eu>

CROSSLANG

Multilingual AI-based software and services

Corporate customers

Cultural data space

EC-funded projects

Founded in 2002

 powerling

Since 2024: part of French group providing global content services

Benefits of membership of LDS User Group

Data consumer:

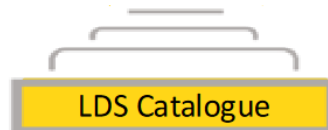

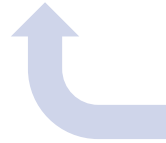

- High-quality bilingual textual data in specific domains
- (Non-)EU languages, especially low-resource
- Advice on ethical data usage (LDS helpdesk)

(Future) provider of data:

- Mono-/bilingual textual/audiovisual data in specific domains
- Human-generated / post-edited / filtered / synthetic data
- (Non-)EU languages
- Price setting, usage conditions (e.g. period): case by case

- *Build better multilingual NLP tools*
- *Increase customer base*

- *Monetise assets*
- *Increase visibility of company*

Common European Language Data Space

Thank you!

A Common European Language Data Space – funded under contract LC-01936389 with the European Union.
